CHARTIFACTS!

SINGLES. This week we see a massive drop from **Jesse McCartney** from #1 to #15, the biggest drop of the new millennium. But this is only due to copies of the single being scarce as there was only a very limited press made. Also on big news **Snoop Dogg** debuts at #1 for the first time on our charts. While **Destiny's Child** and **Eminem** both score highly in the Top 10 this week debuting at #5 and #9 respectively. The only other notable movers and shakers are **Rob Thomas**, up five spots to #3, and **Mario**, up two #4.

No.1 SIGNS – Snoop Dogg. This is **Snoop's** first #1 single in Australia. The rapper was born and raised in Long Beach, California and lived a life of crime until he found his escape – music. In 1994 **Snoop** broke into the Australian charts with his debut single, **Gin & Juice** it peaked at #49 in April that year, although it was already a top 10 hit in the states a year earlier. **Signs** features **Justin Timberlake** and is the second single to be lifted off the **R & G - Rhythm and Gangster** album (#38 Apr. '05).

No.5 GIRL – Destiny's Child. Currently touring Australia for their *Destiny Fulfilled Tour*, **Beyonce**, **Kelly** and **Michelle** release the third single off their latest, platinum selling album. The first single for release was **Lose My Breath** it went on to peak at #3 in November last year and **Soldier** followed suit matching the spot, also coming in at #3 earlier this year. Will **Girl** become the third #3 hit for the trio? Also, keep an eye out for the **Girl** film clip – because if you are/were a *Sex In The City* fan you'll fit right at home with this one.

No.9 MOCKINGBIRD – Eminem. The **Eminem** phenomenon all started six years with a catchy tune called **My Name Is**, it peaked at #13 in April that year. But it didn't stop there, in the autumn of 2001 after spending already 8 weeks in the top 10, **Eminem** received his first of many #1 hits with **Stan** which featured **Dido**. In turn it led to a #1 album with **The Marshall Mathers LP**. The LP was in the charts for nearly a year before it topped our charts. **Mockingbird** is lifted off the current album **Encore** which debuted at #1 in November last year.

No.11 HEY BITTY – Nitty. Growing up in the notorious section of the Bronx can make you a gangster if the lifestyle of crime is your thing. But **Nitty**, who came from a family with strong ethics and great respect, decided he wasn't going to fall prey to the Bronx's dark side. While growing up, his influences were **Will Smith**, **Heavy D**, and **Young MC** – rappers who didn't lead the gangster life. **Nitty's** debut single **Nasty Girl** shot straight to #1 in January this year, debuting at the top spot, where it stayed for two weeks.

No.19 I LIKE THE WAY – Bodyrockers. **Bodyrockers** are **Dylan Burns** (vocals, instruments) from Cambridge, UK, and **Kaz James** (DJ) from Melbourne, Australia. **Burns** started out on the dance scene in a couple of dodgy English dance acts (**Coloursound**, **Essential**). But after a decade of mostly failure he met **Kaz** while touring Australia and suggested that they should become an act. Sparks flew right away, and they immediately went on a six-week tour and returned with this rocking track.

No.31 FILTHY/GORGEOUS – Scissor Sisters. These hip New Yorkers release their fourth single off the #7 hit, self titled debut album. Previous tracks are **Comfortably Numb** (#73 Mar. '04), **Take Your Mama** (#40 June '04), and **Laura** (#66 Mar. '05). **Scissor Sisters** may have only been around for a little over a year, but they have made themselves staples in the music industry, having been support acts for some legendary stars including the enigmatic **Sir Elton John**, **Duran Duran**, and **B-52's**.

No.49 SMILE LIKE YOU MEAN IT – The Killers. **Brandon Flowers** (vocals/keyboards), **David Keuning** (guitar), **Mark Stoermer** (bass), and **Ronnie Vannucci** (drums) took the pop world by storm with **Somebody Told Me** which peaked here at #17 in September last year. The perfect blend of style and old class rock song pulls from the band's influences — **The Smiths**, **New Order**, **Oasis**, and **The Cure**. **The Killers** went on to release their debut album **Hot Fuss** and after 30 weeks from release the album struck gold hitting the #1 spot in February this year.

No.52 NOT THAT KINDA GIRL – Jo Jo. Growing up on the outskirts of Boston, this little starlet was just bound for stardom. In August last year **Jo Jo** made her debut with **Leave (Get Out)** it was a favourite amongst teens peaking at #2. Then there was her follow up single **Baby It's You** which didn't fair as well but nonetheless still a top 20 hit coming in at #16 earlier this year.

No.70 CATCH MY DISEASE – Ben Lee. It all began in 1993 when **Lee** was only 14 and in a band called **Noise Addict**. They did extensive touring of the US while at high school scoring them a huge legion of fans including big wigs **Evan Dando**, **Beastie Boys** and **Sonic Youth's**, **Thurston Moore**. **Noise Addict** went their separate ways four years later. Thus igniting **Lee's** solo career. His debut solo release in 1995 was **Granpaw Would**, but couldn't crack the top 100 until his third album release, **Breathing Tornadoes** in November 1998, it went on to peak at #13 in May the following year.

ALBUMS - The Cat Empire's #1 glory is cut short by **Rob Thomas** who debuts at the top spot with his debut solo album. Crooner **Michael Buble** jumps an impressive six places to #4 while pop boys **Anthony Callea** and **Jesse McCartney** fall a disappointing four and five places respectively to sit at #7 and #9. **Bruce Springsteen** brings up the rear with his debut at #10.

No.1 SOMETHING TO BE – Rob Thomas. After bursting on the music scene as the lead singer of rock act **Matchbox Twenty**, **Rob Thomas** has notched up a few hit albums on his belt as part of the band. **Yourself Or Someone Like You** peaked at #1 (Jul. '98), as did **Mad Season** (May '00). **More Than You Think You Are** reached #3 in Sept. '03. **Rob** worked with guitar king **Santana** on the track **Smooth** which earned him multiple Grammy win and catapulted him to superstardom.

No.10 DEVILS & DUST – Bruce Springsteen. **Bruce Springsteen** made his first mark in 1975 with his album **Born To Run** which was a hit around the world. He had another huge album – **Born In The U.S.A.** – in the 1980s. He has picked up a swag of Grammy awards and an Oscar throughout his career. In the past ten years, the best charting albums he has released are: **The Essential Bruce Springsteen** (#43, Nov. '03), **The Rising** (#4, Aug. '02) and **The Ghost Of Tom Joad** (#27, Nov. '95).

No.56 THE USED – The Used. This self-titled album from **The Used** was released in 2002 and jumped an incredible 66 spots to debut in the Top 100 this week. The yet-to-be-released single **All That I've Got** from the album **In Love And Death** (#41, Oct. '04) has been getting a lot of airplay of late. The four piece punk rockers hail from Utah and have overcome homelessness and substance abuse to become successful and establish a cult following.

No.59 OPERATUNITY – Denise Leigh & Jane Gilchrist. **Operatunity** was a British reality competition to find amateur opera stars, similar to the *Australian Idol* or *Popstars* format. The winners **Denise Leigh** and **Jane Gilchrist** were formerly two working mums and are now opera divas. They have performed at the Coliseum since winning the competition and continue to perform together as well as solo.

No.61 DANCING WITH THE STARS – Chong Lim Band. **Chong Lim** and his band played live every week on Channel 7's celebrity ballroom dance contest *Dancing With The Stars*. This album is a collection of live recordings from the shows, including **Frank Sinatra's Come Fly With Me**, **Jennifer Lopez's Let's Get Loud** and **Tom Jone's Sex Bomb**. **Chong** has played in back-up bands for the likes of **John Farnham** and **Kylie Minogue**.
